

**“Battlefield Proven Armor”**

### **Lightweight Armored Chevrolet Suburban**

MDT Armor is a leader in state-of-the-art, battlefield proven, lightweight armored vehicles. The unique MDT design hides almost all the armor and armor overlaps, virtually keeping the interior and exterior look of the OEM vehicle.

<b>Armoring level</b>	360° perimeter, defeats military assault rifles at point plank velocities – AK 47 (M1943) M-16 (M193 and ss109) and M80 ball. Roof protection defeats above threats at 10 meters, at 68°. Floor protection against 2 X DM51 grenades. Limited protection against IEDs (Improvised Explosive Devices)
<b>Passengers</b>	Driver + 7 passengers
<b>Air conditioning</b>	Front and rear units
<b>Wheels</b>	Run-flat inserts on all 5 wheels
<b>Windows</b>	Driver and passenger power windows to 6”
<b>Upgrades</b>	Torsion bars, leaf springs and breaks upgraded to handle new GVW
<b>Weight</b>	Curb weight (armored) – 9,614 lbs. Vehicle, armor and passengers – 10,769 lbs. GVW (reinforced) – 11,440 lbs.
<b>Options</b>	Explosion proof gas tanks; public address systems; and more...
